

Analysis of Illuminati.am

Illuminati.am is another Illuminati scam that tricks stupid people in to parting with their money for dumb books and trinkets made in China. When checking into the background of the site. I was able to find the original owner.

*AR Imani Oroumieh
Lincoln Research and Marketing Inc.
John Young
Orlando FL, 32837, US
registration@registrations.am
+1.4077607609*

The Illuminati.am site came into existence on September 01, 2012. It changed ownership between September to November 2014 to:

*Obsidian Maskreet
OTPPR.com
PO Box 1070
Bel Air, 90210, US
illuminati.am@registrations.am
1.4808834423*

This transaction links Obsidian Maskreet to OTPPR.com.

During this time the name servers were ns3551.hostgator.com & ns3552.hostgator.com.

On 11-26-2014 they were transferred to ns17.domaincontrol.com & ns18.domaincontrol.com.

On 12-09-2014 the Registrant's address was updated to a shell mailbox service company:

*Obsidian Maskreet
8549 Wilshire Blvd
Beverly Hills, 90211, US*

The Administrative contact information was also change to:

*Helen Milano
ILLUMINATIAM
8549 Wilshire Blvd
Beverly Hills, 90211, US
illuminati.am@registrations.am
1.3108834423 ***Note the number is the same, the area code is different****

In July 2015, they moved to servers at CloudFlare. Name servers noah.ns.cloudflare.com & gina.ns.cloudflare.com

IP 104.25.130.19 hosts illuminati.am & illuminatiofficial.org in addition to many others non-related sites.

Obsidian Maskreet's OTPPR.com is hosted at 192.169.213.164 with 3 other sites:

- illuminatinecklace.com
- lir.im
- otppr.com
- verify.ac

Lir.im is the PR firm for Illuminati.am, funny it's hosted on a decated server in addition to his site OTPPR.com and illuminatinecklace.com. When we investigate Lir.im we find the Registrant & Administrative Contact is:

*Dana Camden
8549 Wilshire Blvd #1439
Beverly Hills, CA, 90211*

Note the address, it's the same shell address for 3 different people now *Obsidian Maskreet, Helen Milano, and Dana Camden.*

At this location in Beverly Hills we find a mailbox rental company.

Beverly Hills United MailBoxes
http://www.bhumb.com/
8549 Wilshire Blvd
Beverly Hills, 90211

Notice that the person who purchased the site host the site on the same server as the PR company. Interesting connection. Note the way they use both regular and privacy domain services.

illuminatinecklace.com	192.169.213.164	Domains By Proxy, LLC
lir.im	192.169.213.164	1API GmbH
otppr.com	192.169.213.164	Domains By Proxy, LLC
verify.ac	192.169.213.164	-

Now notice the same pattern with the domain servers again with the Illuminati.am and associated sites.

illuminati.am	104.25.130.19	abcdomain (ABCDomain LLC)
illuminatiofficial.org	104.25.130.19	Domains By Proxy, LLC
DEPARTMENTOFDISTRIBUTION.COM	23.227.38.32	Illuminati.am LLC

The illuminati.am & illuminatiofficial.org sites are hosted on Cloudflare.

DNS servers: noah.ns.cloudflare.com & gina.ns.cloudflare.com

IP Location: United States - Arizona - Phoenix - Cloudflare Inc.

Verify.AC

Address: Po Box 11671, Wellington, CA, NZ

When looking searching this address, we will see that it will associate with the Registrant Organization 1API GMBH of the PR firm, [lir.im](http://www.lir.im). at this link <http://www.nic.sh/go/whois/chip.sh>

There are different business that return to this address....possible a mailbox service company??

Good Morning Justin,

Please do not send this to others!!! I started a side project on my own last Friday night and am funding it myself. A few people (Pho, Ravi, Joseph, EP, Karen and a couple others) have been told of the project and I plan on releasing it publicly on the next Day of Rage, September 13th. The project is a blog that will included all areas of the Movement, Illuminism, Meritocracy, The Movement reboot and the Illuminati. I am linking the different sites (Mathmonism, the AC, themovementreboot and Meritocracy Party) and material that is out there. I'm hoping this will be able to attract new members by offer an easy to use site.

I want to see if you would like to check it out and let me know what you think? Please do not tell others just yet, as I still have a ton of work to do on it and plan on releasing it to all on the 13th. I thought you might enjoy reviewing it. Here's the website address illuminati.site

I saw it a few days ago actually. That's excellent!!

I noticed the ping back from TMR site.

September 13th is a big one, let's tear it up!!

thank you. It's my first real one I ever built.

Please let me know if there's anything you would like me to feature on it.
